Flat out beautiful

Dear Businesses and Residences,

The New Zealand Sotheby's International Realty Queenstown Marathon presented by Asics is taking place on Saturday 16 November 2024. We are thrilled to be able to stage a major event again in the beautiful Queenstown region. After nine successful years, the event is now firmly on the bucket list of runners everywhere, who know it as one of the world's most scenic marathons.

The event incorporates a full range of distances to cater to all abilities including a full marathon, half marathon, 10km and 2.2km kids run. Starting at Millbrook Resort, the course takes in the highlights of the region including Arrowtown, Lake Hayes, Shotover River, Lake Wakatipu, Queenstown Gardens and finishing in the heart of Queenstown at the Recreation Ground.

The nature of the course is unique in that it predominantly takes place on the stunning network of Queenstown Trails, with 70% of the course on trails and 30% on road. Further event information can be found by visiting www.queenstownmarathon.co.nz.

With an Event of this size, we rely on the goodwill of businesses and residents to help us make the event a success. To assist those that live or work near or on the course, we've included a map of the traffic access plan, including road closures and parking restrictions that are in place on Saturday 16 November. It is important that you take time to familiarise yourself with the information, and share this with others, so you understand how the event and the associated road closures may affect you. Scan the QR code on the next page for an interactive map.
