

AIR NEW ZEALAND 

Queenstown
International
Marathon

17 NOV 2018

Flat out beautiful

Dear Residents and Businesses,

The Air New Zealand Queenstown International Marathon is taking place on Saturday 17 November 2018. After four successful years, the event is now firmly on the bucket list of runners everywhere, who know it as one of the world's most scenic marathons.

The event is an annual world class running festival attracting over 15,000 visitors and participants from New Zealand and around the world, bringing significant economic benefits and media coverage to the local region.

The event incorporates a full range of distances to cater to all abilities including a full marathon, half marathon, 10km and 2.2km kids run. Starting at Millbrook Resort, the course takes in the highlights of the region including Arrowtown, Lakes Hayes, Shotover River, Lake Wakatipu, Queenstown Gardens and finishing in the heart of Queenstown itself at the Recreation Ground.

The nature of the course is unique in that it predominantly takes place on the stunning network of Queenstown Trails, with 70% of the course on trails and 30% on road. Further event information can be found by visiting www.queenstownmarathon.co.nz

With an event of this size, we rely on the goodwill of businesses and residents to help us make the event a success. To assist those that live or work near or on the course, we've included a map of the traffic access plan, including road closures and parking restrictions that are in place on Saturday 17 November. It is important that you take time to familiarise yourself with the information, and share this with others, so you understand how the event and the associated road closures may affect you.

If you have any concerns or queries prior to Saturday 17 November 2018, contact:
